OUR APPROACH

We focus on empowering the girl through a three-pronged approach, as they set out to change the world.

1 in every 4 girls that attends primary school, drops out before reaching high school

14% of girls between the ages 15-18 years are not attending school

3 in every 10 girls from economically disadvantaged groups, have never set foot in school

27% of girls continue to get married off under the legal age of 18 years
